John 4:1-42

Key Verse: 4:29

1. Why does Jesus go back to Galilee? Where does he stop along the way? How did Jesus begin a conversation with the woman who came to the well? How did she respond? What were the barriers between Jesus and this woman that Jesus overcame?
2. How did Jesus answer the woman? Why did she compare Jesus to Jacob? How is the water Jesus gives different from the water drawn from Jacob's well?
3. After showing a desire to get the living water, why did Jesus bring up the woman's most painful subject? What does it mean that she recognized him as a prophet? Why did she change the subject to talk about worship? What did he teach her about worshipping God?
4. Why were the disciples surprised? What did the woman do? How does this show her changed life?
5. In verse 35 there are two harvests. How are they different? What does it mean to harvest the crop for eternal life? (36)
6. Why did the Samaritans first believe in Jesus? (29-30) How did the basis of their belief change? Why is this important? What confession did the Samaritans make about Jesus? (42) What does it mean to you that Jesus is the Savior of the world?
