Romans 7:14-25

Key Verse: 7:24-25a

1. Is the law sinful? What is the function of the law? Over which of the 10 commandments did Paul stumble? How is this commandment different from the others? Why did the commandment produce death?

2. Read verses 14-25. What is Paul's struggle? Why must we struggle like this? Why can the law not help us overcome sin? What is Paul's cry for help? What is the answer? What is Paul's cause for joy and thanksgiving? (25,4,6)
